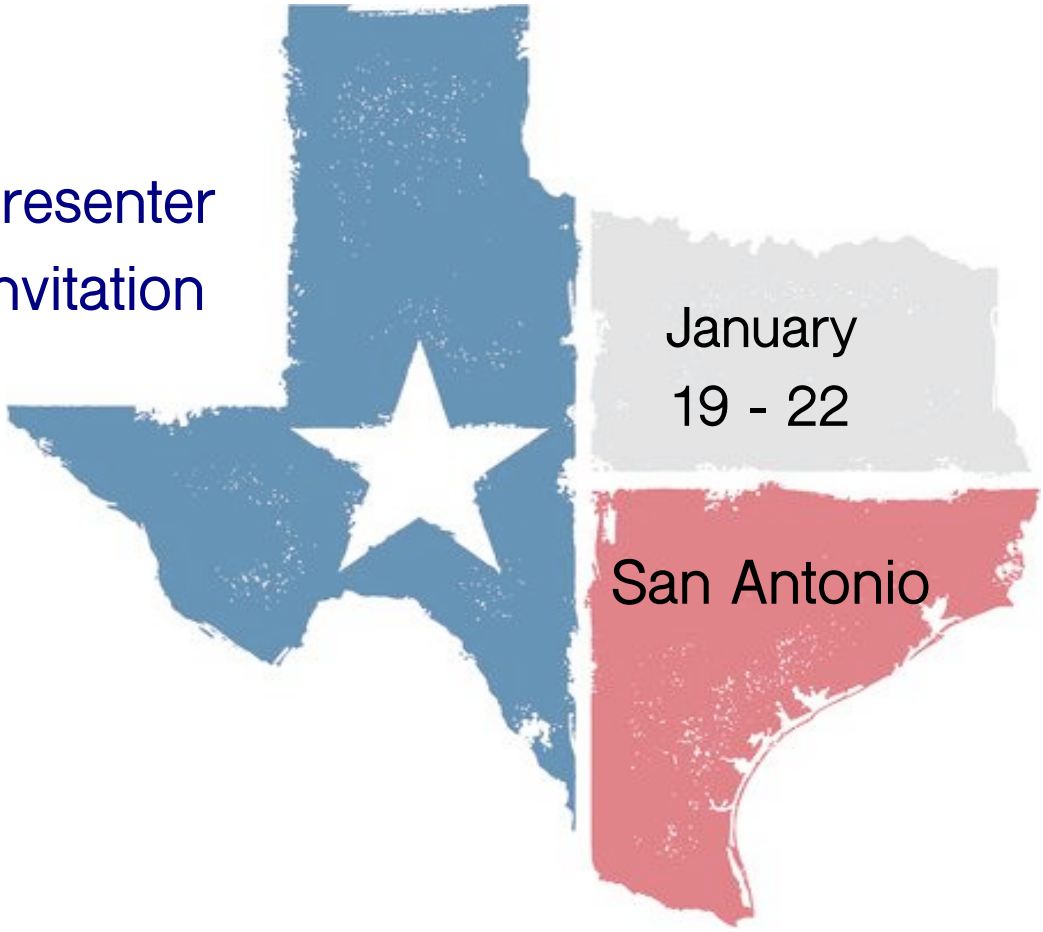
IR INFO CONFERENCE 2020



Advanced IR Training Conference & Symposium

IR/INFO 2020

We are pleased to invite you to be a presenter for IR/INFO 2020This is an opportunity for you to share your knowledge and experience with your fellow thermographers, while adding to your resume and credentials.

Infraspection Institute started IR/INFO in 1987 as a forum to exchange thermographic, NDT, and P/PM information. This unique program is well known as the original source for infrared information.

Benefits

- Have your work published in the IR/INFO Conference Proceedings
- Share your knowledge with other professionals from around the world
- Gain notoriety as an expert in the IR Community
- Enhance professional growth
- Earn points toward Master Thermographer® qualification
- Save money – significant discount on your IR/INFO 2020 registration fee

Topic Suggestions

Below are some suggestions for topics. Do not hesitate to call us to discuss your idea or thought for a topic!

- Safety
- Cutting Edge Technology
- Regulations Affecting Our Industry
- Case Histories
- New Applications
- Best Practices
- Related NDT
- Tips & Tricks

What You Need To Do

1 – Using the attached form, submit your Presentation Title and a 100 word description or abstract.

2 – Prepare a PowerPoint. Presentations are about 25 minutes with 5 minutes for Q & A time. Most PPTs are 20 – 25 slides.

Once your Presentation Title and Description are accepted, we will send you instructions and helpful hints to guide you through the rest of the preparation. If requested, we will provide a PPT template to help you get started.

3 – Send your PowerPoint by December 1 to be included in the IR/INFO Conference Proceedings.

OPTIONAL (but highly encouraged) – write a short paper based on your PowerPoint to be considered for publication as an Article of the Month at IRINFO.org. Ask us and we will help you get started.

IR INFO CONFERENCE
