

Director's Message

Welcome to the first edition of Infraspection Institute's online monthly newsletter! Although Infraspection has sponsored newsletters in the past, this is the first, of what we hope will be many, web-based issues. In this forum we hope to provide you with timely, relevant information about our activities and resources as well of those within

Upcoming Courses

[Level I Certified Infrared](#)

IR/INFO 2012 A Success!

Infraspection Institute's IR/INFO conference was recently held in New Orleans, Louisiana. IR/INFO 2012 marks the 23rd anniversary for the advanced training conference, technical symposium and technology expo. IR/INFO was attended by infrared thermographers, PdMtechnologists, engineers, and building inspection professionals from around the world who enjoyed four days of networking, learning, and fun in a relaxed, family atmosphere. We thank our exhibitors, our speakers and all who attended and helped to make this year's conference our best ever!
